Here are both documents – updated to assume Ex. 5 - Deliberative Process Given there will likely be at least one more pass-back to OMB, I think this is reasonable.

I talked to Rich a few minutes ago. He sent the attached based on what Jody sent him earlier this year. I haven't looked at these yet. Chris can you update these instead, since Jody is out and send back to us all?

Monica- here's the current draft PR and comm/outreach strategy. I believe the strategy is current, but want to confirm with Jody as it has been a while since I've looked at this and she may have updated version? The PR has been reviewed by Jody and Claudia, there was a question about **Ex. 5 - Attorney Client** but I think we have addressed that concern.

We need to do an update of what Jody sent to Rich Mylott. Rich has not responded to me whether or not he made any edits to what Jody sent.

Hi everyone – I understand that Shaun is looking for an update or action plan on the FIP by Monday. Have you put something together? Happy to review if so. I'll be out this afternoon but could take a look Monday and contribute what I can.
